NUMBER

1

Count the number of ones and colour the answer

|		
2	3	1
		6
	7	
5	1	
1	8	1

5   **4**   **6**

Subtract one from each set and circle the right answer
Four trains are in the station. Three leaves on time. How many are waiting?

= ⭕

Add one block in each set and circle the right answer

= **3** **4**

= **5** **7**

Colour the box which gives the answer number one

3-2   **1+1**

1+2   **4-3**

NUMBER

2

### Count the number of twos and colour the answer

2   3   4   2

    2
  1
5   9   8   7

(3)   (4)   (6)

### Subtract two from each set and circle the right answer

There are five birds sitting in a tree. Three fly away. How many are left?

= ( )

Add two items in each set and circle the right answer

= 6 5

= 4 5

Colour the box which gives the answer number two

2+2   4-2

10-8   5+1

### Colour the picture

Only two!

**Good job!**

NUMBER 3

Count the number of threes and colour the answer

2 3 3 3
6
5 1 3 8 3
3

(3)   (4)   (5)

Subtract three from each set and circle the right answer

There are six blocks. Three fall down. How many are left?

= ( )

Add three dots in each object and circle the right answer

= 9 7

= 8 6

Colour the box which gives the answer number three

2+1   4+1

6-3   2+2

Only three!

Good job!
NUMBER

4

Count the number of fours and colour the answer

2	4	10	8
5	1	6	
	3	4	7

(**3**)   (**2**)   (**6**)
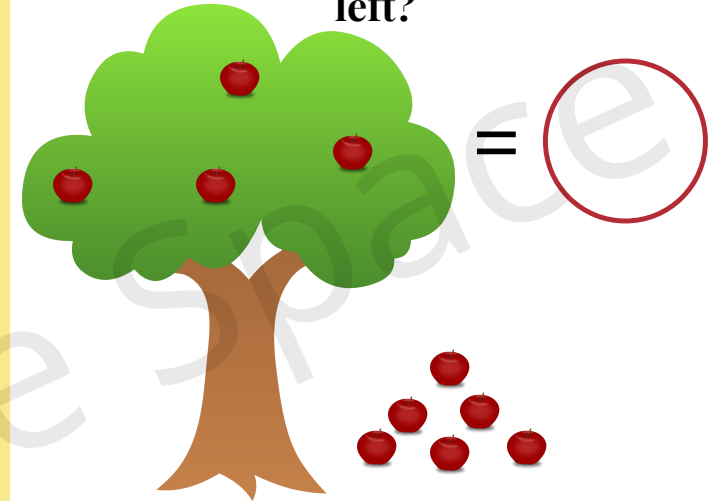

## Subtract four from each set and circle the right answer
There are ten apples in the tree. Six fall down. How many are left?

= ( )

Add four sweets in each item and circle the right answer

= **8** **10**

= **7** **9**

Colour the box which gives the answer number four

NUMBER

5

## Count the number of fives and colour the answer

5   4   5   5

5   5   6

5   3   9   5

(**9**)   (**7**)   (**6**)

Subtract five from each set and circle the right answer
There are ten balloons tied up. Five balloons blew away. How many are left?

= ( )

Add five count in each object and circle the right answer

=   **9**   **10**

=   **8**   **6**

Colour the box which gives the answer number five

4+1   **2+6**

1+0   **10-5**

Colour the picture

Only five!

NUMBER

6

Count the number of Sixes and colour the answer

4   6   6   10

3   7

1   3   2   9   8

(3)   (2)   (1)

Subtract Six from each set and circle the right answer

## There are ten rabbits. Four hop away. How many are left?

= ( )

Add Six count in each object and circle the right answer

= 5   9

= 8   4

Colour the box which gives the answer number Six

5+1   3+0

10-4   3-1

Only Six!

Good job!

NUMBER

7

## Count the number of Sevens and colour the answer

7	6	1	10
		7	
7	3		9	8
	2		

(3)　(5)　(4)

Subtract Seven from each set and circle the right answer
There are twelve dogs. Five ran away. How many are left?

= ( )

Add and circle the right answer

1 + **7** = 9　8

7 + **2** = 9　10

Colour the box which gives the answer number Seven

10-3	4+3
1+2	3+6

Colour the picture

Only Seven!

Good job!
NUMBER
8

**Count the number of Eights and colour the answer**

8 6 1 8
8
7 3
2 9 8

(3) (7) (4)

Subtract Eight from each set and circle the right answer

There are fifteen cars. Seven ride away. How many are left?

= ◯

Find the correct answer to get the sum of Eight

1 8 2
?

5 6

2 8 ?
2

3 4

Colour the box which gives the answer number Eight

| 1+7 | 1-1 |
| 2-1 | 4+4 |

Colour the picture

Only Eight!

N

Good job!

NUMBER
9

Count the number of Nines and colour the answer

8	6		1	4
		9		
7	3	2	9	0

(3)　(2)　(4)

Subtract Nine from each set and circle the right answer
There are twenty Hot air balloons. Eleven fly away. How many are left?

= ( )

Add Nine items in each set and circle the right answer

9　10
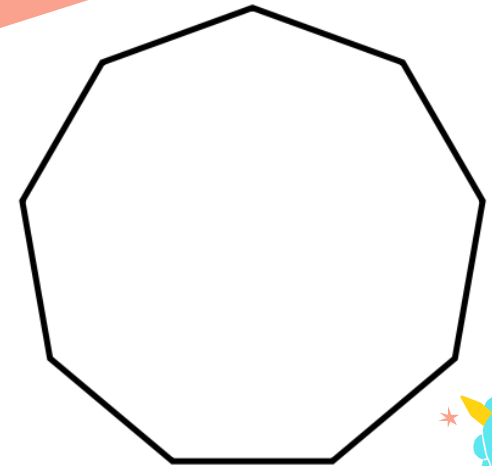

11　12

Colour the box which gives the answer number Nine

1+5	10-1
8+1	4+0

Colour the picture

Only Nine!

Good job!

NUMBER

10

Count the number of tens and colour the answer

10	6		1	4
7	3	9		
		2	5	0

(3)   (2)   (1)

Subtract ten from each set and circle the right answer
There are twenty teddies in a shop. Ten Sold out. How many are left?

= ( )

Add and circle the right answer

$10+1=$ 11 10

$2+10=$ 13 12

Colour the box which gives the answer number ten

| 5+0 | 6-0 |
| 9+1 | 11-1 |

Colour the picture

Only Ten!

Good job!
